GP560

32"	80cm
33"	83cm
34"	85cm

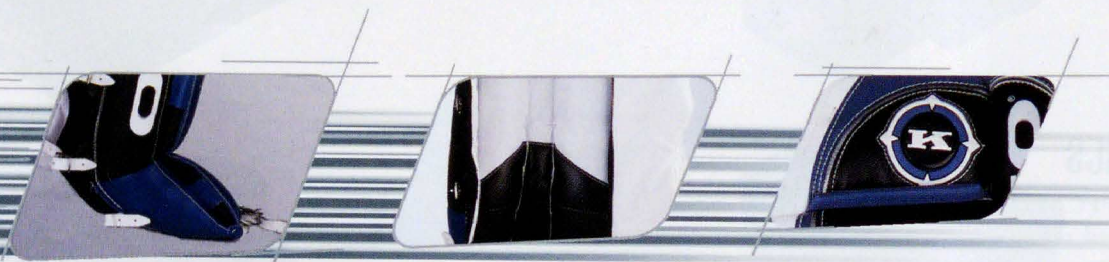

Authorized dealers only  
Available in custom colors

### new GP560 PRO

- Bold styling and daring colors keep shooters confused and off-balance
- Anatomically contoured knee and shin cradle increases stability and comfort
- Dual density foam stuffed knee, shin and boot maximize rebound control
- Anatomically molded adjustable thigh pad provides superior lower thigh protection while increasing blocking surface
- Unique, built-in, 2"-5 cm thick, molded calf guard expands the blocking surface and improves puck control
- Inside and outside calf and knee back wings provide tailored fit and full wrap protection

BR/WH/BL

1. Unique, built-in, 2"-5 cm thick, molded calf guard expands the blocking surface and improves puck control.
2. Inside and outside calf and knee back wings provide tailored fit and full wrap protection.
3. New molded Koho® logo.
